Director Annie Hicks reported that the legislative session concluded with flat funding for NNRPDP.

- Next steps: Negotiations underway by the fiscal agent (Elko County School District) must be concluded before submitting a formal request to the Interim Finance Committee (IFC) for additional funds to cover PERS increases, rising insurance costs, and salary adjustments.

Agenda Item Six: New Business [Non-Action]

A. Travel and Cost-Sharing Initiatives

Russ Klein proposed exploring cost-sharing opportunities among districts to help offset NNRPDP expenses due to six consecutive years of flat funding. Examples included:

- Covering hotel stays or meals for visiting staff.
- Providing use of district vehicles before resorting to mileage reimbursement.
- Absorbing mileage or fuel costs where possible.

Annie Hicks noted:

- Statute prohibits direct funding, but reimbursements for travel or shared resources (e.g., supplies, meals) are allowable.
- Travel reimbursement is the easiest method for districts to support NNRPDP without legal issues.
- Some districts have already provided assistance such as professional development invitations (e.g., White Pine PD sessions) to reduce training costs.

The board agreed to continue discussing and identifying ways to reduce travel and operational expenses through collaborative support.

B. Recognition

CJ Anderson recognized Governance Board member Katie Hammer as the District STEM Teacher of the Year. The board congratulated her for her accomplishments.

Agenda Item Seven: Professional Development Updates

Adam Young invited board members and NNRPDP staff to attend upcoming White Pine professional development sessions to encourage collaboration and resource sharing. No public comment was offered.

- Annie to testify at the October 18 Interim Finance Committee meeting.
- District superintendents to explore ways to offset RPDP costs.
