## REGIONAL COORDINATOR JOB DESCRIPTION

The NNRPDP provides high-quality professional learning opportunities to enhance student learning by recognizing and supporting research-based instruction and by facilitating instructional leadership within the context of Nevada State Professional Development Standards. The position requires work in three broad categories: 1) Fulfilling legislated mandates (e.g., NVACS, NEPF, Parent Engagement) 2) Meeting district requests for services (e.g., NVACS, differentiation, student engagement), and 3) Supporting individual teachers (e.g., coaching, credit classes, modeling, instructional rounds).

In order to fulfill the responsibilities of this position, the Regional Coordinator must:

- remain current in proven educational innovations and teaching methods.
- provide professional learning opportunities as requested across the region in face-to-face, interactive video, online, and blended mediums.
- maintain consistent and positive communication within the six counties served by NNRPDP: Elko, Eureka, Humboldt, Lander, Pershing and White Pine.
- incorporate training that addresses the educational needs of students with disabilities or whose primary language is not English.
- preserve a growth mindset.
- work with and through technology to collaborate with colleagues efficiently.

Working as a NNRPDP coordinator is rewarding and exciting. It is not easy. Extensive travel throughout the region is required. You will need to be self-directed and self-organized. Good mental and physical stamina is needed to meet the demands of the travel, preparation, and presentation schedule of the work. There are multiple opportunities for your own professional growth, and you will work in an environment with a collaborative and intelligent team!
