

ELD 201

Advancing Academic English Language Development for Nevada's Multilingual Learners

Support the multilingual learners in YOUR classroom!

January 9 – February 20

Earn a 15 hour certificate of professional learning!

ELD 201 is for Nevada K-12 content educators to implement English language development (ELD) practices in their classrooms.

Content educators will learn to support multilingual learners (MLs) as they access academic content while developing academic English proficiency in an assets-based learning environment.
